**PUBLIC SERVICE
COMMISSION**

Dear Mr. Derouen:

Enclosed please find two Water Purchase Agreements that need approval by the Public Service Commission.

The first Agreement is between the Knott County Water and Sewer District and Phoenix Property Owners Association on Highway 80. At this time we have waterlines running down Highway 80 to Jamestown Village (the point of service) which should be completed in the near future. These customers will be ready for water as soon as the new water treatment plant is up and running; therefore, this Agreement needs prompt attention.

The second Agreement is between the Knott County Water and Sewer District and the City of Vicco. Plans are in place to advertise for bids for waterline construction within the next two months. This entity has requested to purchase water from the Knott County Water and Sewer District once these waterlines have been completed.

Any assistance you may render toward the approval of these water purchase agreements will be greatly appreciated.

If you have any questions, please do not hesitate to call us.

Sincerely,

Alice G. Ritchie, Chair
Knott County Water and Sewer District
